Accelerate Your Career with IASA

Our Mission

The IASA community accelerates professional growth to shape, influence, elevate, and strengthen the insurance industry.

Our core values and beliefs have always focused on education and connection, and we will continue to drive:

- Industry Progress
- Personal Growth, and
- Professional Outcomes for Our Members

It's All About Value!

- **IASA Xchange™ and IASA Xchange™ lite:** World-class education developed specifically for insurance professionals with multiple tracks offered in a hybrid (in-person or virtual) format
- **IASA OnPOINT:** Executive leadership training to support C-Suite professionals
- **IASA Careers:** Hire top talent or take the next step in your career
- **IASA eLearning Center:** Access a library of on-demand educational content to increase your knowledge or get your CPEs to maintain licensure
- **IASA Textbooks:** Highly-regarded as the best publication resources for accounting guidance and business processes
- **IASA Industry Insights:** Stay abreast of the latest industry trends and news
- **IASA Leadership Opportunities:** Professional growth while advancing the industry and develop skills that can be applied to your career
- **IASA National-level engagement:** Build your professional network
- **Local engagement with IASA's 24 chapters:** Participate in local educational conferences and become a local leader

IASA Membership Structure

IASA has affordable membership options for companies and individuals - carriers or solution providers.

Visit our website at [IASA.org/iasa-membership](https://iasa.org/iasa-membership) to learn about our membership criteria and dues pricing.
