PRACTICE CHANGERS
IASA XCHANGE™ 2022
June 5 – 8

Guidelines for *Practice Changers* Proposals

1. Presenters MUST be registered for IASA Xchange™.
2. Presentations should be based upon content and have no real or perceived conflict of interest, financial or otherwise. These cannot be “infomercials.”
3. Successful proposals will contain information that is of potential interest to some segment of the insurance community but is not otherwise available within the current scope of the conference’s program and curriculum as deemed by the Chair of the Program Planning Committee and the committee of reviewers. Topics must be related to the insurance industry and be in keeping with the broadly defined mission of IASA.
4. Presentations should be no more than 12 - 15 minutes in length.
5. PowerPoint presentations will be accommodated within the designated spaces, but a more casual format is encouraged.
6. Proposals should be submitted electronically by March 4, 2022.
7. Proposals will be forwarded to Robert Firoz, Chair of the Program Planning Committee, and a selected group of reviewers. Final decisions will be rendered March 25, 2022, for inclusion in the subsequent conference. All presentations are accepted for one session only and do not carry an implied acceptance for subsequent meetings.
8. The Program Planning Committee will conduct an informal review of these presentations at the conference, evaluating them for interest level, relevance to the IASA mission, educational value, and overall success of the pilot program.
